**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We need a company like Sonic to give people options other than Comcast and AT&T which dominates the competition. We need America to return back to its marketplace values of fairness and equality in which no one, for few companies control a single market.

Americans are getting tired of the old guard price-gouging with poor customer service. Sonic should have the freedom to compete without the inference of the government or another company who see them as a threat.
